

Mihály Németh, Director of Strategic Asset Management, Magyar Telekom Nyrt.

Mihály Németh (born in) graduated as Certified Economist at the Budapest University of Economy, then as a Certified Lawyer at the ELTE Law Institute of Higher Education. In 2005 he became a CFA charterholder (certified financial analyst), which represents a highly recognized designation in the field of investment profession.

In the beginning of his career he worked as equity analyst at BudaCash, then at the K&H Brokerage Company in Hungary. He joined MATÁV Rt., predecessor of Magyar Telekom, in 1998.

At the beginning he worked at the telecommunications company as a business analyst, then from 2000 as Head of the Business Planning Department and from 2004 as Deputy Controlling Director. In 2008 he was appointed as Director of Magyar Telekom Group Headquarter Finance Directorate. Between 2010 and 2012 he worked as the Director of the company's Central Services Directorate. This organisation operated as the multifunctional service centre of the holding. Since January 2013 he holds the Strategic Asset Management Director position. In this function he is responsible for subsidiary portfolio management, M&A, Treasury, Working Capital management and Partner Settlement functions of Magyar Telekom.

In the recent years he has taken various positions in the Boards of Directors and Supervisory Boards of various companies. He is currently the Chairman of Origo Zrt's Supervisory Board and member of the Board of Directors of Vidanet Zrt.
